Director's Message

Dear Alumnus,
It gives me great pleasure to launch the third edition of IBMRD Alumni Newsletter. P.D.V.V.P.F's Institute of Business Management & Rural Development has now completed 25 years of its existence. The number of post-graduates has increased from 60 to 150 every year. Many of the alumni have great achievements to their credit. The Institute has also considerably strengthened its faculty in various disciplines.

Over the years, while the alumni have been meeting at Institute but I believe a stage has been reached when we need to substantially raise the level of our interaction. With this in mind we share

with you the third issue of "Alumni Newsletter."

Alumni Newsletter provides a platform for all of us to share our ideas and take up activities to make the IBMRD Alumni community- a vibrant one. Some of our initiatives have been the development of the "Online Registration"- a platform for the current students to interact with the alumni and continuing to hold annual Alumni meets.

We now look forward to more participation from the Alumni in all our activities and in the events held at the Institute. We also look forward to better interaction with the alumni through mentorship, guest lectures etc. Further, we plan to institute awards to felicitate our distinguished Alumni for their achievements.

All these things would be possible with your active participation which could be through personal interactions as well as the Online Registration.

Wishing each one of you all the very best in your professional and personal lives.

With best wishes,

Dr. Arun Ingle

Director
IBMRD.
