Events To Be Always Remembered
Hon'ble Prime Minister of India Dr. Manmohan Singhji has visited Pravara Complex on the occasion of the publication of Late. Dr. Dhananjayrao Gadgil's Postal Stamp and the Farmers Rally on the 8th Feb.2008. It was the most unique and historic movement in the life of all farmers of the country.
During the visit Hon'ble Prime Minister was highly impressed by witnessing the various developmental activities introduced for the comprehensive rural development by Pravara Agro industrial, Educational and Cultural Complex. The very visit of the P.M. will be always remembered by the farmers of this country, because in this public rally Hon'ble P.M. positively given indications regarding waiving of the loan of farmers. In the presence of more than lacks of farmers.
It was the highly delighted and auspicious occasion to the farmers, land less labourers youth and women of Ahmednagar District when the most dynamic and visionary President of the Congress Party Hon'ble Soniyaji Gandhi paid visit at 19th June 2008 to Pravaranagar, Ahmednagar (M.S.) on the occasion of Women's & Farmers Rally. In this mammoth Rally Hon'ble Soniyaji Gandhi appreciated the efforts

and vision of the leadership in introducing welfare schemes, educational institutions, and many other activities helpful to the rural people to make their life more meaningful.

Shirdi is not only the holy place and the symbol of the national integrity but also known as the strong-hold of the Congress party. All the Local Bodies, Co-op. Society's and the Institutions are under the rule and the governance of the Congress Party in Shirdi Constituency. Keeping this view in mind the M.P.C.C. decided and entrusted the responsibility of organizing and initiating "Janjagran Vikas yatra" from Shirdi Constituency from 19th Nov.2008. Thousands of party workers, leaders and officials were participated in this Yatra which has created enthusiasm among the Aam Adami.

It was the most significant and one of the biggest party events ever organized by any other M.L.A. in the State.
